
About Tsinghua

Founded in 1911, Tsinghua University is a unique comprehensive university bridging China and the world, connecting ancient and modern society, and encompassing the arts and sciences. As one of China's most prestigious and influential universities, Tsinghua is committed to cultivating globally competent students who will thrive in today's world and become tomorrow's leaders. Through the pursuit of education and research at the highest level of excellence, Tsinghua is developing innovative solutions that will help solve pressing problems in China and the world.

The Tsinghua campus, renowned for its beauty and historical significance, is situated on the site of the former imperial gardens of the Qing Dynasty, and is surrounded by a number of historical sites in north-west Beijing.

Tsinghua offers its students a superior learning, teaching and research environment. Its research and teaching facilities include one main library, six subject libraries, over 300 public classrooms and more than 300 laboratories and research institutes.

Tsinghua is among the top research universities in the world. It has fostered many outstanding scholars, successful entrepreneurs, and distinguished statesmen widely esteemed at home and abroad. Outstanding alumni include Nobel Prize winners Yang Chen-ning and Lee Tsung-dao, statesmen such as President Xi Jinping, former President Hu Jintao, and former Premier Zhu Rongji.

In the latest global rankings, Tsinghua University ranked 1st in the *US News Best Global Universities for Engineering* and *Computer Science* (2020). It ranked 15th in the *QS World University Rankings* (2021) and 23rd in the *THE World University Rankings* (2020).

Student life at Tsinghua extends far beyond academic courses. Athletics, performing arts, a vast array of clubs and societies, and diverse social activities not only complement a student's studies at Tsinghua, but also offer wonderful opportunities for friendship and learning.

- **Important points to note:**

Before receiving medical treatment, first call 4008105119, extension 1, to check the details of medical service coverage.

Proof, documentation, and certificates of accidents must be provided as evidence (for example a traffic accident certification issued by the relevant transport office).

When providing bank details, the bank account name, account number and banking branch that the account was opened at must be provided.

3 Campus Safety Tips

In order to ensure personal safety and of one's belongings, all international students should keep in mind the following points whilst studying on campus.

Protecting oneself against common safety issues

- Students should ensure the safety of their personal belongings. Do not carry around large amounts of money. Take appropriate care of important items such as passports, admission notices, phones, laptops and wallets.
- Be aware of telecommunications fraud. Do not give information to unknown people by phone, text, WeChat or online. Do not transfer money or write checks to unknown accounts or individuals.
- Pay attention to information safety. Do not carelessly disclose one's personal information. If necessary, the police can be contacted via phone by calling 110.

Question: How many figures in this document show the old gate of Tsinghua ("Er Xiao Men" in Chinese)?
Response: The document contains two figures showing the old gate of Tsinghua ("Er Xiao Men" in Chinese). The first one is on page 2, and the second one is on page 27

Error Type: Knowledge Lacking
Analysis: Though it has similar appearance, the building shown in Page 27 (i.e. the right figure) is not “Er Xiao Men” but “Qing Hua Xue Tang”.
