Action Prediction

Case 1 (Failure)

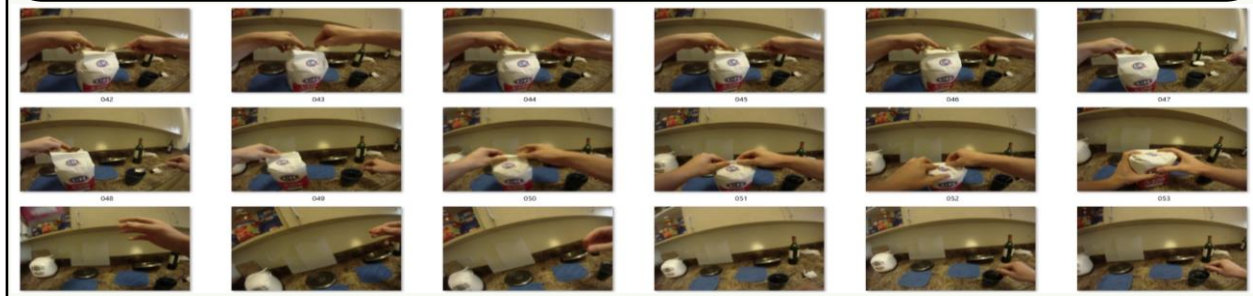
Question: What is the person going to do with the thing in hand?

A. Put it in the trash.
B. Wash it in the sink.
C. Put it in the sink.
D. Leave it on the countertop.

GPT5 answer: C ✗
GT answer: B

GPT5 self-explanation: *After emptying the yogurt into the bowl, the person walks to the sink holding the empty cup/lid and reaches over the sink area, indicating they are about to place it in the sink rather than wash it or throw it away.*

Case 2 (Success)



Question: What will happen to the drink in the cup after being mixed?

A. It will taste sou.
B. It will taste salty.
C. It will turn into coffee.
D. It will taste sweet.

GPT5 answer: D ✓
GT answer: D

GPT5 self-explanation: *The person puts a tea bag in the cup and then adds spoonfuls of sugar (C&H cane sugar) and stirs. Mixing sugar into the drink makes it sweet, not sour or salty, and it remains tea, not coffee.*
